

# STUDENT ACTIVITY LOG

Student Name: \_\_\_\_\_

Month: \_\_\_\_\_

Grade/Class: \_\_\_\_\_

Year: \_\_\_\_\_

| DATE | ACTIVITY | DESCRIPTION | TIME SPENT | LOCATION / PLATFORM | NOTES / OUTCOME |
|------|----------|-------------|------------|---------------------|-----------------|
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |
|      |          |             |            |                     |                 |

## DAILY SUMMARY

What was the most important activity today?

What did I learn today?

## TODAY I FEEL

Great

☐

Good

☐

Okay

☐

Tired

☐

Not Good

☐

Keep learning, growing and shining! ♥
