The illustration shows four categories of school supplies, each in a colored box with a title. Below each title are drawings of the items and a short description of their use. The categories are: Pens (red, blue, and black), Eraser (pink and blue), Highlighters (yellow, green, and pink), and a Ruler (yellow). The descriptions are: 'To write your best work!' for pens, 'To fix little mistakes - keep trying!' for the eraser, 'To make important things stand out!' for highlighters, and 'To help you stay on track!' for the ruler. Each description is followed by a small heart icon in the same color as the category box.
